

# PF-PRO AUTO PRINTER

## PF-PRO AUTO PRINTER • Industrial Disc Printing

Utilizing Microboards' patented disc singulation technology, the PF-Pro is designed to print hundreds of discs on a weekly basis. Its 100-disc throughput capacity allows for unattended operation.

By utilizing the latest in HP inkjet technology, the print speed and quality of the PF-Pro Disc Printer is unequalled among disc duplicators. Separate C, M, Y, and Black ink cartridges means zero waste – and the lowest possible cost-per-disc, as low as 11 cents for a full coverage print. One set of ink cartridges can produce 850 to 1,500 discs. Disc designs utilizing light text-only coverage could have a cost-per-disc as low as 2 cents, and throughput at upwards of 250 discs per hour.

Simple-to-use label design software is included with the PF-Pro. Design your label from a point-and-click application, or use popular design programs such as Photoshop® and import directly to the software.

**Publisher Versions Available**  
The PF-Pro is an autoloading, print-only device. For an all-in-one solution that records as well as prints, consider the MX Publisher series.

Coupled with a single or dual 18X DVD/48X CD recorders, the MX Series is the best solution for high-volume disc publishing. The MX Publishers feature the same inkjet platform as the PF-Pro, but with added disc burning ability. Publishers with recording ability include recording & job creation software for both Mac and PC, including support Windows 2000, XP, and Vista. Record or copy virtually any CD recordable or DVD +/- Recordable format, including Dual Layer DVDs!

**Part No.:** PFP-1000

**Disc Input:** 100

**Typical Weekly Throughput:** 250+ Discs

**Ink Cartridges:** 4 Cartridges: C, M, Y, K

**Printing Technology:** HP thermal inkjet

**Cost per Disc:** 11 to 18 cents (full-color, full coverage)

**Print Resolution:** 4800 dpi

**Label Design Software:** SureThing (PC), Disc Label (Mac)

**Compatible Operating Systems:** Windows 2000, XP (32-bit); Windows Vista, 7 (32, 64-bit); Mac OS 10.5.X, Mac OS 10.6 (Intel chip only)

**Minimum Processor:** P4 3.0 GHz or higher

**Minimum RAM:** 512 MB required, 1 GB recommended

**Hard Drives:** 1 - 7200 RPM IDE or SATA

**Connectivity:** USB 2.0

**Weight:** 43 lbs.

**Dimensions:** 9"H x 22"D x 22"W (14"H with input rods installed)
